

## **REMARKS**

The Ex Parte Quayle Action mailed July 30, 2007 has been reviewed and the comments of the Patent and Trademark Office have been considered.

### **Drawings**

The drawings were objected to under 37 C.F.R. § 1.83(a). Applicants have amended Figures 8, 9, and 12 to label the depression claimed in claim 1. This language was included in the specification as originally filed, and as such, no new matter has been added.

### **Specification**

Applicants have amended the specification to add the language “135a” since Figures 8, 9, and 12 now label the depression as claimed in claim 1 as 135a.

### **Conclusion**

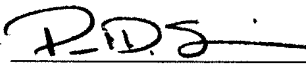

Applicant believes that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check or credit card payment form being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted herewith, Applicant hereby petitions for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 19-0741.

Respectfully submitted,

Date: October 1, 2007
